Foreword

. . . After

The path has ended in the land of dreams. The long wait is over and we can all stop and gaze at the vision of reality. Our new school has now become a part of ourselves and our time. Its beauty and memories will abide with each of us through all walks of life. All have watched its development take weight from our anxious minds and place satisfaction in our hearts. The instruction it offers will be maintained in the worlds we build around ourselves.

"A DREAM COME TRUE"—a look from the past into the present, through the doors of our school into the future. We of Springdale have seen a dream materialize through the hands of the workmen, contractors, and with the support of our families. On June 10, 1957, the shining shovel broke the ground in a ceremony symbolizing the beginning of a new era and a horizon for the class of 1960.

NURSES

Mrs. Ferguson and Mrs. DeSantis administer to L. Caleta. Mr. Landy and Mr. Robak look on.

Seniors

Senior Class of 1960

At last the day arrived. On September 9, 1959, we entered the new high school as Seniors. Remember how some of us thought that the day would never arrive?

Our school year was filled with hard work and happy times. The hard work consisted of English themes and Extra Credit assignments every nine weeks, along with all the homework in our various other subjects. We had the task of selling Christmas cards in order to receive an Electra, and of paying a monthly obligation to enable each of us to attend the Senior Banquet. But all of this hard work was overshadowed by the many wonderful times we had attending our games, dances, and other extracurricular activities.

Now, in June, 1960, we leave all this behind us as we take our place in that immense adult world of challenge and competition.

As we look back on those golden times, we can truly say, "Our school years were the best of our lives!"

I wrote all the nice things about you it would take more space than these pages allowed.

Remember class night?

I hope you have all the luck and success that is possible.

Sally,
Sally, to me, you
are one of the sweetest
girls I know. You've done
a lot to make this yearbook
possible and we all appreciate
it. This year, I think I've gotten
to know you quite well and
glad I was able to. Never forget our
P. O. D. Classes and the lunch room.
The best of luck in your nursing career.
that you've always been looking forward
to. Never forget you,
Carol Glamp

Sally,
You are a real swell girl
with an A+ personality. Remember
her all the good times we had
especially the stretching and hip (Boy
didn't think that a ball) the heat of
everything to you in the future.
Thanks again to Julie's Wandaclip
for the beautiful yearbook.
Remember me always
Sally,
Good luck as a nurse.
Be an intelligent girl like you are

Junior Class Officers

Sally
 The best of luck to a really smart and good looking girl. With your brains you're bound to go far — much success in the future. When I'm ill I hope that you'll be my nurse.

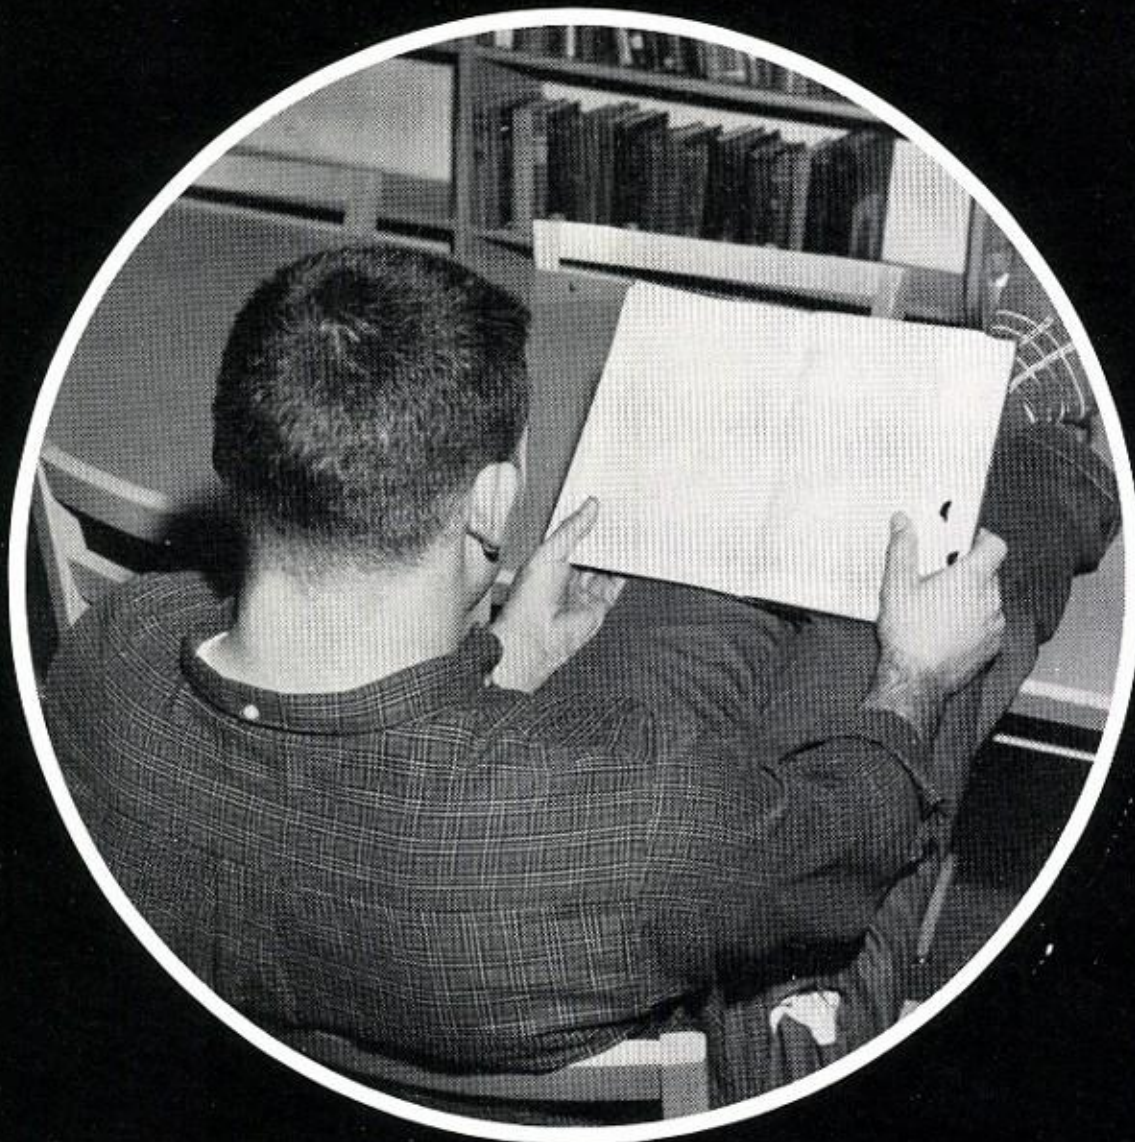

Looking forward to our senior year, but always remembering our junior one—the class of '61. We are proud to be the first owners of the class rings with the new school insignias.

Carrying on the tradition of sponsoring the prom, we sold peanut brittle, presented a play, and held bake sales. Gratitude for the success of the main events is given to our sponsors, Miss Sober and Mr. DeVenzio.

Always a friend

 I hope you had a good time in Washington. I really didn't get to know you. But of course that's O.K. in the future and I am

The class of '62 has the highest hopes and aspirations of being the best class yet—and they're really achieving their goal. The first blank expressions on their faces were soon changed to ones of enthusiasm. Their response to all school activities was commendable. Guided by Mr. Landy, their first year at S.H.S. was a high success.

Day '60

The theme "Enchanted Island" is a perfect description of May Day, 1959, which began with the coronation of the new king and queen, Curt Carson and Nancy Breth. Following this was a quartet of dances highlighted by the traditional May Pole Dance. The enchanted May Day of 1959 was brought to a close with the Coronation Ball.

Junior Class Play

DON'T TAKE MY PENNY portrayed the confusion, which took place, when sixteen-year-old Penny Pringle decided to become an actress. The three-act comedy is full of laughs from beginning to end. Of course matters are complicated by Penny's mother being too busy to help her daughter in her crisis. Gram is also discouraging in Penny's goal, but with all the commotion matters do come out better than you would expect, and all is well in the Pringle household. This play was under the capable leadership of Miss Sober.

The Orange and Black

Sally,

To a real sweet senior who had a swell personality. Your pretty dark hair and happy smile always attracted many. You really are a terrific girl & don't ever change. Always stay the same sweet kid & don't forget the junior who won't forget you.

Cheerleaders

"Pep and enthusiasm" is the motto of our Varsity Cheerleaders and under the leadership of Carole Murray and the advice of Miss Workman, their sponsor, they proved to be an asset to our school. At every game you could hear a loud and boisterous cheering section led by these girls.

Their many hours of hard practice were rewarded with polished movements and uniform appearance always.

The "Big Orange" sponsored by the cheerleaders in honor of the football players is always a memorable night for everyone.

These girls really deserve a hand for their ability to bring out the school spirit in the students and also for their readiness to cheer the team on to victory.

Although the Junior Varsity cheerleaders only cheered at the J.V. home games, their spirits were always high and their pep reflected their practice and hard training from the Varsity Cheerleaders.

always & keep that pretty smile of yours always!

Your pal
Judie DiSanti

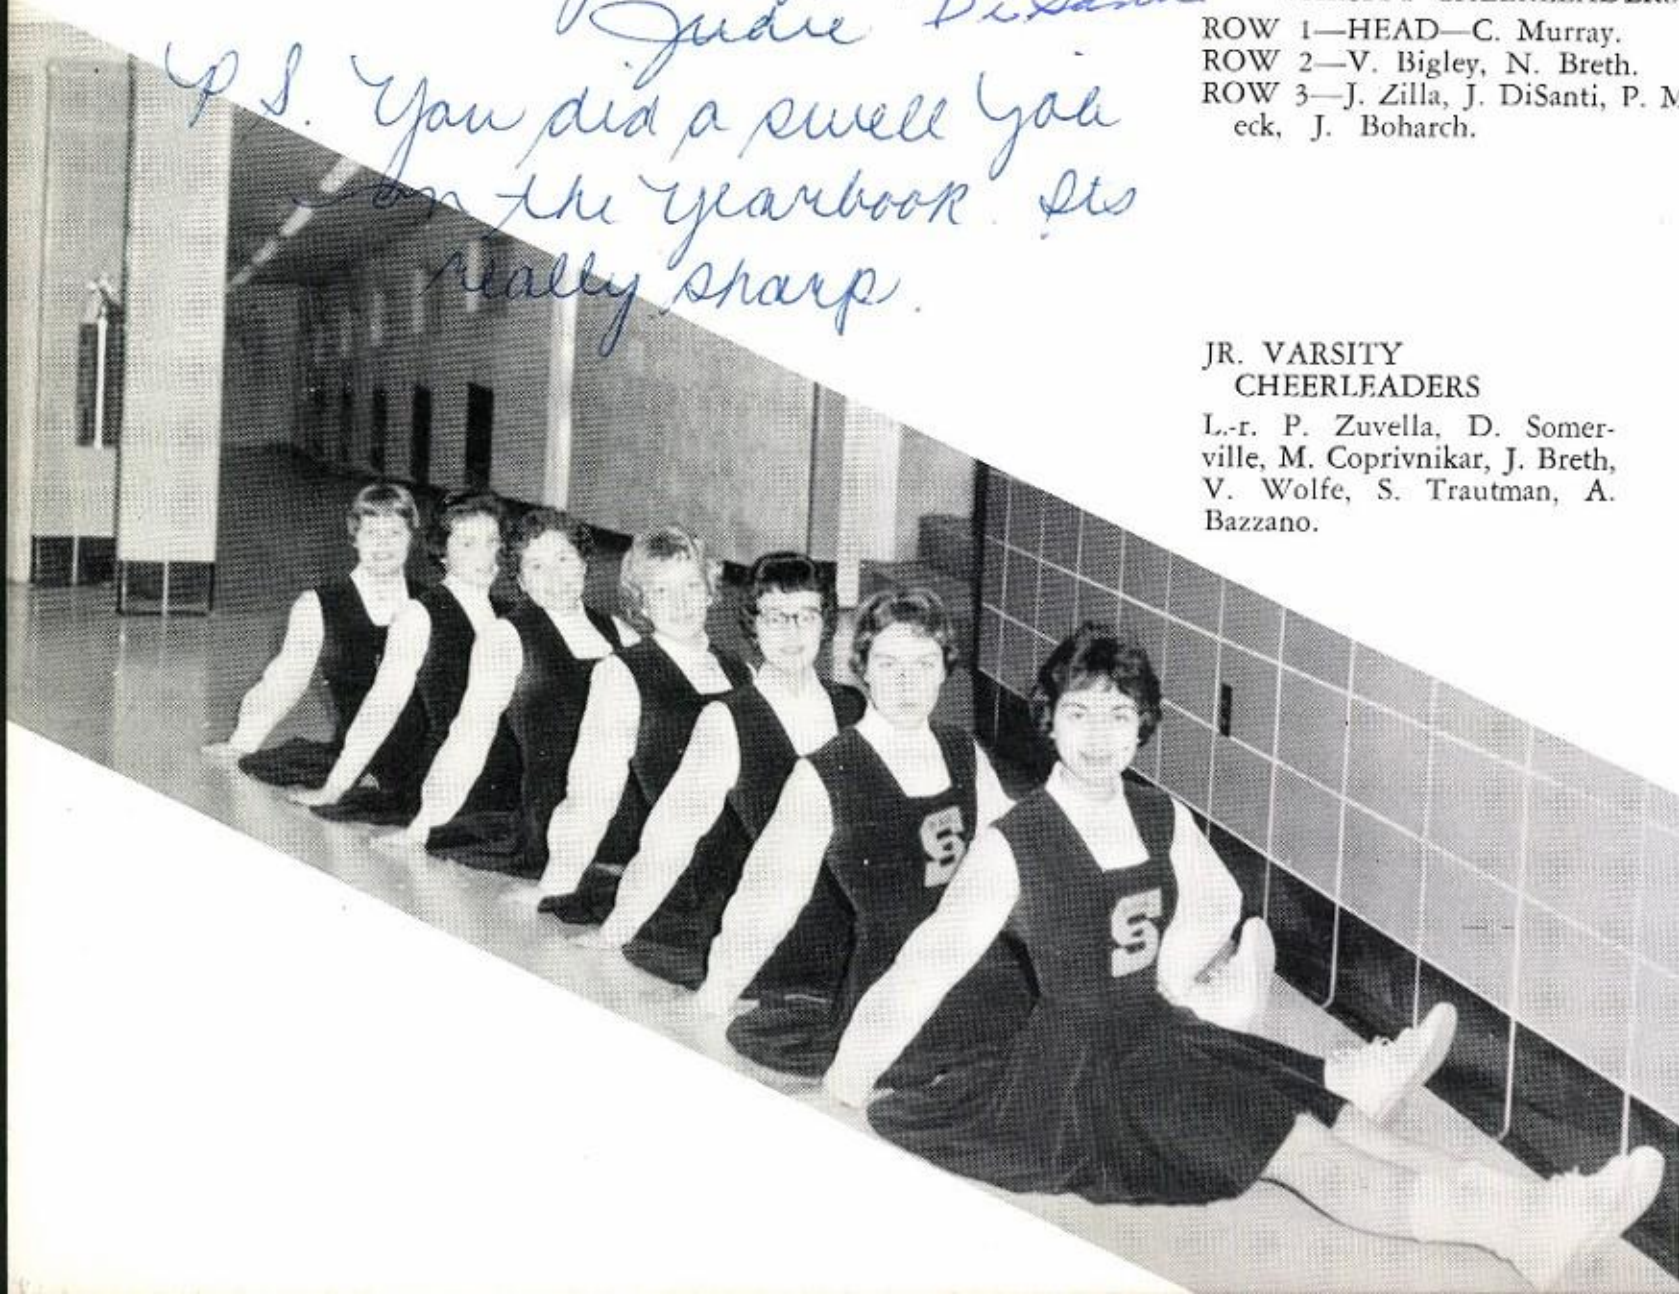

P.S. You did a swell job on the yearbook. It's really sharp.

FOOTBALL

Hail our all conquering Dynamos! For the first time in our school's Class A history the football team went undefeated and untied. Led by a stalwart line and a hard-charging backfield, our veteran Springdale team downed ten straight Class A foes and won the Allegheny Interscholastic Conference. Much to their dismay, our men didn't get to play Braddock for the WPIAL Class A championship because of a lack of Gardner points. We will always remember the finest football team in Springdale's Class A history.

OUR COACH

Coach D. V. who has had phenomenal success at S.H.S. in recent years talks with five of his top seven men. Jim Hrabovsky and Jack Derlink are missing. Pictured are J. Smalara, D. Ferguson, J. V. will never leave our hearts as a fine coach and will remain still more as a true friend.

JUNIOR VARSITY

Under the able direction of Coach Turley, our underclassmen have scored well in the round-ball derby. Compiling a 12 and 9 record. Mr. Devenzio is eagerly awaiting this crop of sophomores.

Basketball Highlights

Jim Marshall, Butch Conley, Den Ferguson and Curt Carson surround a New Kensington ball player. This was in the first game of the season and before the season had ended Curt had broken the S.H.S. scoring record in the 22nd game with 453 points for the year.

Den Ferguson with the Most Valuable Player trophy he won in the New Kensington tournament. Coach D. V. looks proudly on, and no wonder, Springdale had just won the tournament by beating Arnold 61-54 in the final.

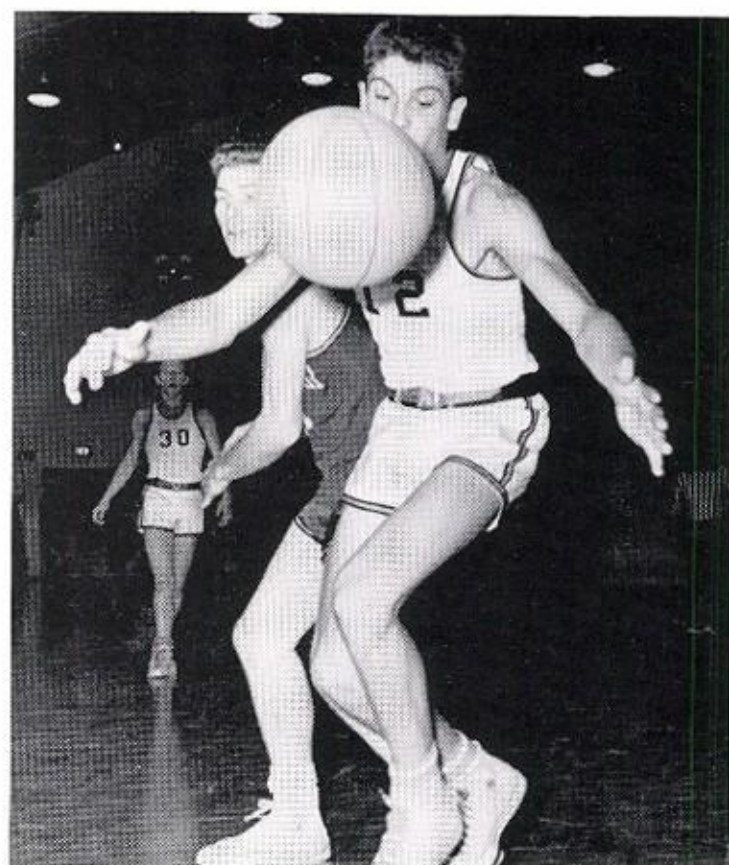

Tall, lanky, and talented Curt Carson fights for the ball in the Arnold game during the New Kensington tournament.

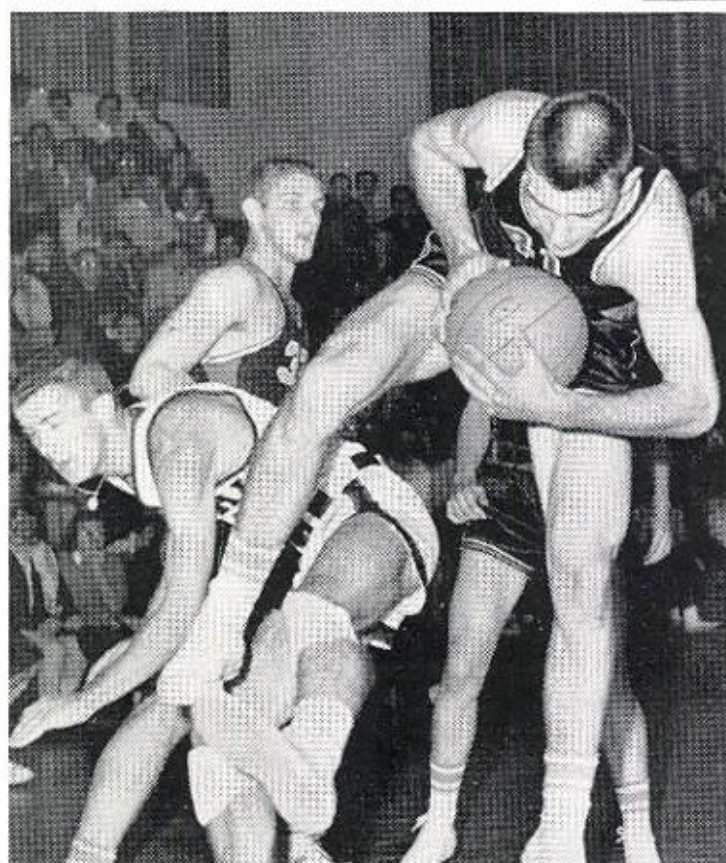

Catch a falling star!

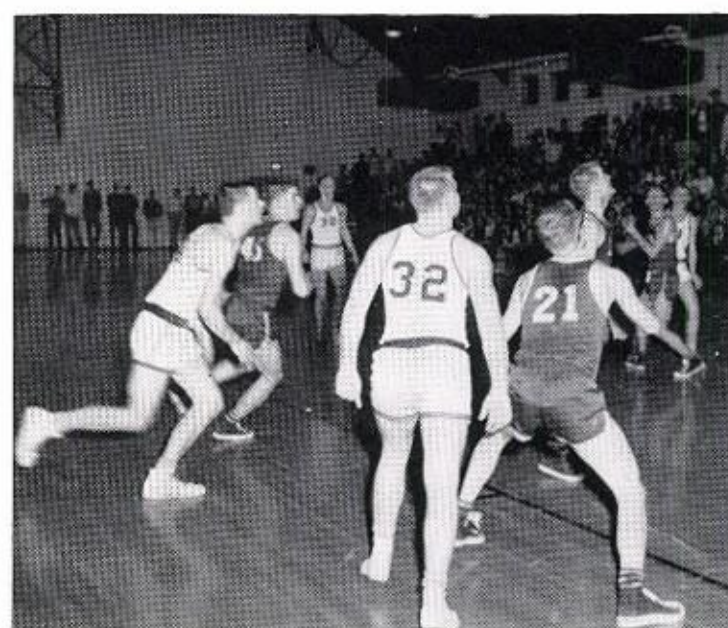

What's your trouble . . . bubble?

Wahoo Carson rebounds.

Go away. It's mine!

Why?

Guard him close,
Jerry . . . he's dan-
gerous.

All the way, big Curt!

Curt gains revenge

Why not?

Action: Pitt Field House (5 Days Later)
Reaction: Farrell 65 Springdale 45

Although Farrell eliminated our Dynamos in this game, the Second Round of the W.P.I.A.L. Tournament, we can still hold our heads up high around the town of Farrell, Springdale, or anywhere else for that matter. The reason: we defeated Farrell on their floor 46 to 45, and this was only the third defeat in the last decade for the Steelers at home.

Congratulations Springdale, for a great season.

BASEBALL

The Dynamo baseball team faced a rebuilding campaign this year, and we feel that Coach DeVenzio did a fine job in this respect. Bad luck plagued our team, but there was never a let down in team spirit and hussle.

Our 3 and 5 record is no indication of the brand of baseball which we played. Four of the five losses were by one run thrillers. The experience gained by our misfortunes will show greatly in our next fling at the "diamond" sport.

SOCCER

Our "booters" at S.H.S. again completed a successful season under our new coach, Mr. Meloni. This year our team entered the WPIAL soccer league and made it's mark with great success. The 6-2-2 record compiled by the team was almost enough for a WPIAL crown, but that second loss, at the hands of Snowden knocked us out of contention.

Everyone at S.H.S. extends their hopes that our school will have a championship in the near future.

The golf team, despite the loss of our long time coach. Mr. Wagner, again had an impressive record with 6 wins and 4 losses. Our Dynamos showed good sports-

manship and a keen sense of competitiveness under the capable guidance of Coach Lenosky. We at S.H.S. wish Coach Lenosky and our men the best of luck.

The 3-4 record of our Junior Dynamos does not tell the true story. Two games were lost by a total of three points. The squad under Coaches Lenosky and Takach, was the largest in many years, going over sixty. James Mason was the high scorer with 36 points for the year. All the boys are looking for their arrival at S.H.S.

Tim Hussar led in the foul-shooting department making 59 per cent of the shots. Larry Susa gained recognition as he scored 20 points against East Deer. Tradition was broken this year when Joe Petruncy, an eighth grader, was elected captain by his teammates.

The team finished with a 6 and 4 record, climaxing a successful season.

A yearbook is the product of labor and co-operation. Both committees and editors spent many hours working, along with Mr. Williams their sponsor, toward the perfection of this years ELECTRA.

Kathy's artistic ability in art has given the yearbook high quality and design.

All those catchy sayings would not be so interesting if it were not for the Literary Committee.

A school having such a superb record in all sports could not forget to thank the Sports Committee for its accurate account of all our victories.

How could we ever have a yearbook without the typists! The "click, click, click," of their typewriters was a familiar and enjoyable sound. This meant that the work was being done in a professional manner by our own able students.

Last, but not least, we could not forget the supreme salesmanship of our business committee which contributed much to the success of our ELECTRA. Our thanks must also go to Mr. Sinclair for the expert guidance he gave the committee on financial matters.

SEATED—D. Elder, C. Danik, J. Reilly, J. Graham, J. Lepish.
STANDING—D. Drew, J. Grevice, B. Leskovich.

Our Last Farewell

At last—Graduation, the time most of us have anticipated—has arrived. Ah, yes—some of us are glad to see it come; many more of us are sad. We have reached our goal here. Now we must leave behind our beloved Alma Mater, and part from the many friends whom we have come to know and love.

As we merge into this vast world, equals with one another, we will never forget our years at Springdale High School. Impounded in the walls will be our joys, hopes and sorrows. Many have come and gone before us; many will come after us, but these walls will forever hold those memories which are sacred to all of us.

Yes, we leave thee, Alma Mater, but we will carry thy memory with us. Now, forever, we will walk with God.

The Senior Class of 1960

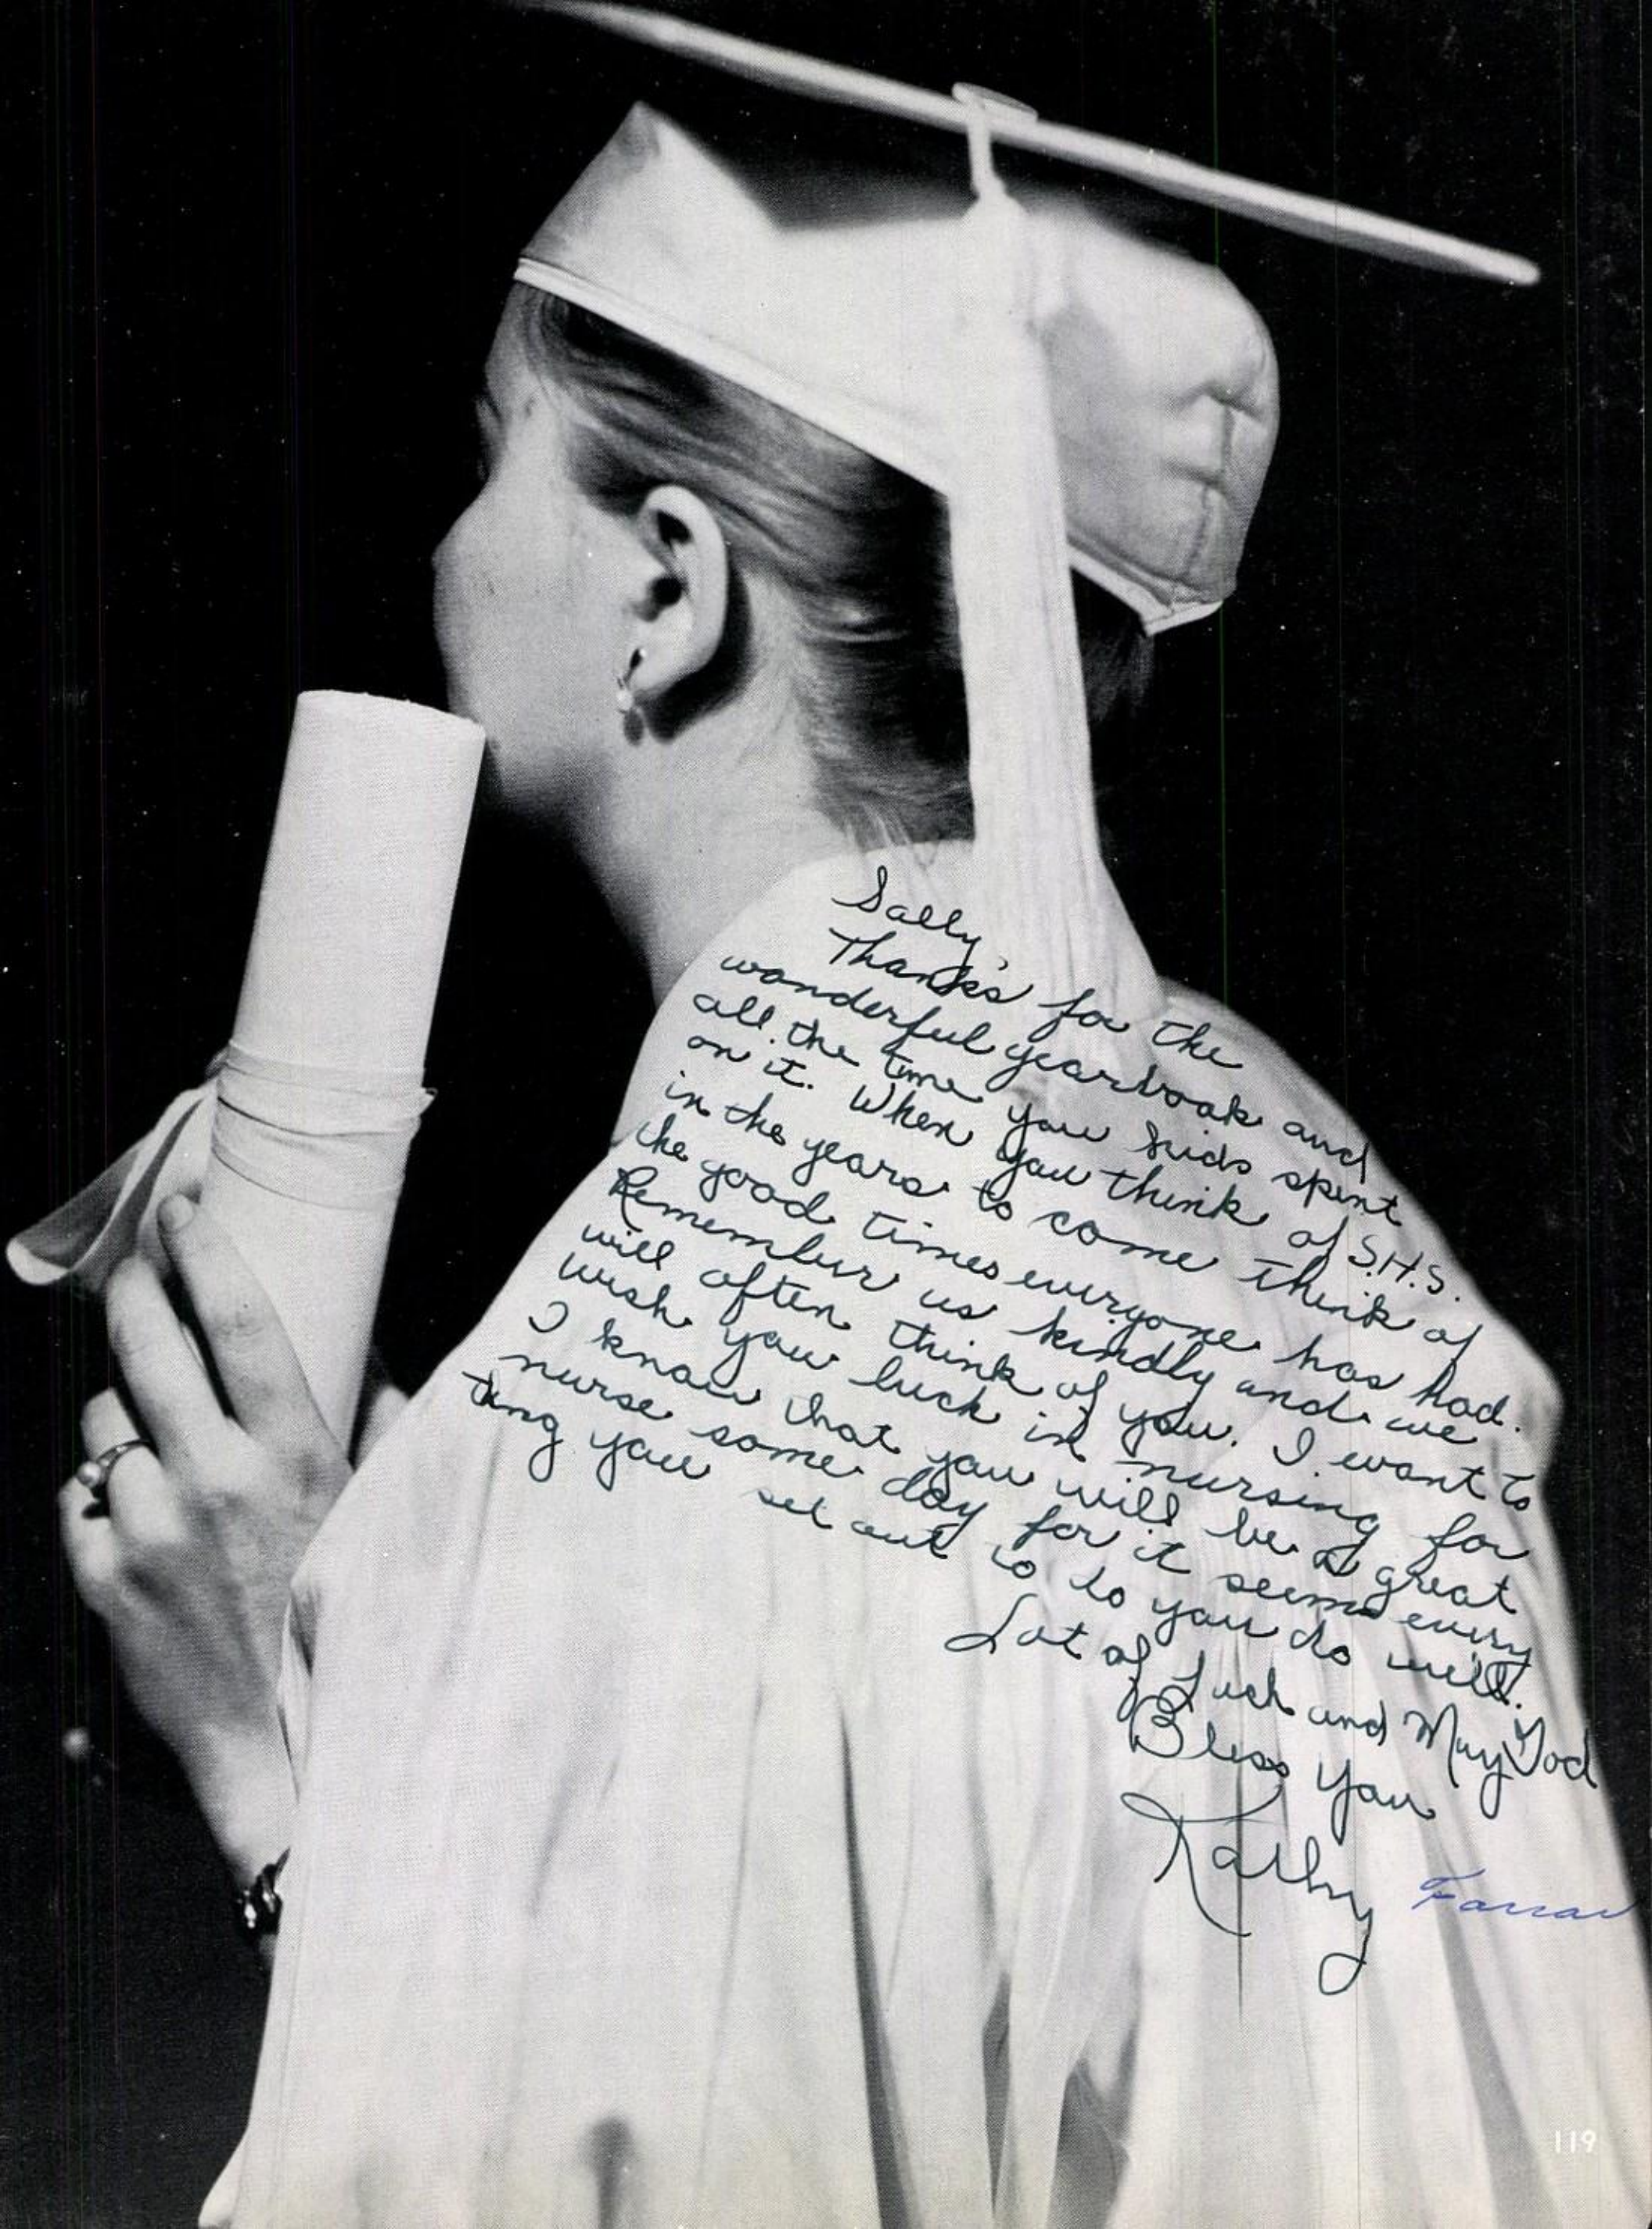

Words cannot express how wonderful it is to have such a terrific person as a friend as you are to me.

Remember all the school picnics we've gone to together RAIN and all! Since that will be no more, I hope we really RIP IT UP this year!

You'll be the prettiest nurse at West Penn and I hope you will be the best.

Good luck in all you do and may God bless you always.

Love
Jan Kawacevich
